Hi Sarah,

Thank you for your letter, Just to confirm the land is owned by my Father, Stephen Hay of Lower Cleeve farm, Ross on Wye, HR9 7TD.

I can also confirm that the details are factually correct, I would also like to suggest a solution to safe access from Archenfeild Road onto this parcel of land that would be via a roundabout at the end of Roman Way using the field adjacent to Cleeve field. This would give simple safe access and in time (20 years) would be fully utilised if or when that field is developed as well.

Any quires don't hesitate to contact me

Kind regards

Jonty

Dear Jonty Hay,

When we spoke a few weeks ago I said we would be in touch with the more formal information about the potential inclusion of part of your family land in the Ross-on-Wye Neighbourhood Plan.

The formal letter from the Town Council is attached as well as the material referred to in that letter - the draft text for all of the sites section in the plan.

As the Town Council letter says, please come back to us if you have any queries. (if you wish to phone, the mobile number is best.)

Regards

Jeff Bishop
