A Neighbourhood Plan is being prepared for Ross to add detail to **Herefordshire Council's** Local Plan, which will guide development over the next 15 years.

A neighbourhood plan for Ross will focus on items such as where houses should be build, where shops and businesses could develop and where residents will park.

The plan is being led by a steering group of local people with the support of Ross-on-Wye Town Council.

To have your say speak to the steering group on Saturday, April 30 at the Market Place in Ross from 10am to 4pm or on Sunday, May 1 at the River Festival.

For more details go to [www.rossplan.org.uk](http://www.rossplan.org.uk).
