Dear Brian Edwards,

I am aware that you have spoken to Melvin Reynolds about emerging proposals for all of the Broadmeadows/Tanyard area in the Ross-on-Wye Neighbourhood Plan, but this is the first time I myself have been in touch. Thank you very much for your interest to date and for considering the inclusion of your land in the proposals. I think Melvin also said that we would be in touch with more formal information.

The formal letter from the Town Council is now attached as well as the material referred to in that letter - the draft text for all of the sites section in the plan. As you will see, having added your land to the equation, it then made sense to also consider the strip of land beyond the ponds and under the Ashburton Estate (though we are only just about to contact the owners of that area). This is why we were delayed but all the additions make for a far more sensible and, in our view, viable overall project.

As the Town Council letter says, please come back to us if you have any queries. (if you wish to phone, the mobile number is best.)

Regards

Jeff Bishop
