Dear Ray,

When we were in touch recently I said we would be sending you the more formal information about the potential inclusion of your land in the Ross-on-Wye Neighbourhood Plan.

The formal letter from the Town Council is attached as well as the material referred to in that letter - the draft text for all of the sites section in the plan. As you will see Brian Edwards has now expressed a wish to add his land to the full picture and, as a result, it made sense to also consider the strip of land beyond the ponds and under the Ashburton Estate (though we are only just about to contact the owners of that area). This is why we were delayed but all the additions make for a far more sensible and, in our view, viable overall project.

As the Town Council letter says, please come back to us if you have any queries. (if you wish to phone, the mobile number is best.)

Regards

Jeff Bishop
